

RIGA AI DAY
Artificial Intelligence – From Legal Framework to Business Practice
August 28, 2025

Riga Graduate School of Law and RTU Riga Business School
in collaboration with
Ludwig Maximilian University, Munich (LMU)
Bucerius Law School, Hamburg (BLS)
Institute for Intellectual Property and Market Law, Stockholm University (IFIM)

About the Conference

In an era shaped by artificial intelligence, legal, technological, and economic structures are undergoing rapid transformation, **RIGA AI DAY** brings together leading scholars and practitioners to explore how law and innovation policy can adapt to the realities of AI-driven change.

Venue: Riga Graduate School of Law, Strēlnieku iela 4A, Riga, Latvia

Morning Session

10:00 – 12:00 Global Aspects of AI Regulation: Intellectual Property, Extraterritoriality & Collective Innovation

This session will examine:

- The erosion of traditional authorship in the digital age
- The EU AI Act in the broader context of global AI governance
- The role of collective innovation and the future of open source in a centralized AI economy
 - **Moderator:** Dr. Claudio Rivera (RBS)
 - **Keynote Address:** Prof. Dr. Matthias Leistner (LMU)
 - **Speakers:** Dr. Lucie Antoine (LMU) and Prof. Dr. Dana Beldiman (BLS)
 - **Q&A Session**

12:00 Coffee and refreshments

Afternoon Session

12:45 – 14:00 Expert Panel Discussion: Implementing the EU AI Act – From Legal Framework to Business Practice

With the EU AI Act entering into force in 2025–2026, this session will focus on:

- Key implications of the EU AI Act for businesses across member states
- How the Act is being incorporated into Latvia's national legal framework
- Compliance in practice: ethical implementation, risk assessment, and alignment with regulatory requirements
 - **Moderator:** Dr. Edgars Volškis (RBS)
 - **Speakers:** Dr. Alessio Buscemi, Aiga Irmeja, Ēvalds Urtāns and additional expert speakers to be announced.
 - **Q&A Session**

14:00 – 15:00 Latvian Support for Enterprises through EDIH and AI Studio

This session will provide an overview of the support mechanisms and services available to businesses through the European Digital Innovation Hub (EDIH) and AI Studio. It will focus on practical steps for initiating AI adoption, accessing expert consultations, and leveraging available resources to ensure effective digital transformation and regulatory compliance.

- **Speakers:** Madara Melne-Krūmiņa (EDIH), Kaspars Mezeriņš (RBS)
- **Q&A Session**

15:00 Closing Reception and Networking
